3-on-3 Basketball Tournament

Rules & Information

RULES

- Teams are made up of 3 to 4 players with 3 players on the court at one time. All games must start with 3 players on each team. Teams may finish the game with 2 players.
- Substitutions are unlimited and only permitted when the ball is not in play or after a made basket.
- **Games will be played to 15 points or until the 20 minute time limit is up.**
- **Scoring:** 2 points outside the 3 point arc and 1 point inside the 3 point arc. Free throws are also worth 1 point.
- All games tied at the end of the 20 minute time limit will play a sudden death overtime with the first team scoring declared the winner. A coin flip will determine the possession for sudden death.
- Any foul committed as time runs out will result in one more possession for the team fouled if the outcome of the game will be affected.
- A free throw is awarded to the fouled player on and after the 12th team foul. Fouls will be recorded by the court supervisor.
- The court supervisor has the authority to call flagrant or intentional fouls which will result in a free throw plus possession of the ball. The court supervisor also has the authority to remove any player, coach, parent, and/or team from the tournament.
- **Unsportsmanlike conduct of any kind will not be tolerated!**
- **All games will be officiated by the court supervisor.**
- If a player is fouled in the act of shooting and makes the basket, the basket counts and the ball changes possession.
- **A double elimination tournament format will be followed, except for the championship game where the winner takes all.**
- Game time is forfeit time. Warm up is allowed accordingly. Games will start on time unless previous game ran late. All efforts will be made to keep games on time.
- A coin flip will determine the possession at the start of each game.
- Games will be half court. **Ball must be taken back behind the 3 point arc on each change of possession.** Failure to do so will result in the loss of possession or loss of points from that possession. Taking it back means both feet and the ball behind the 3 point arc.
- **Each team is allowed two 30 - second timeouts.**
- The ball must be "checked" by a player of the opposite team before being passed into play.
- All dead balls and balls that go out of bounds will be brought in at the "top" of the court to resume play. **Play shall be resumed when the ball is passed in.**
- **Alternate possession will be used on all jump balls.**
- All 8 & Under divisions will play on an 8'6" baskets.
- Teams must supply their own basketballs. Games will be played with a basketball that is mutually agreed upon by both teams and the court supervisor.
